UV

from so many shades of nature, we have picked the best and brought it together to enhance the beauty of your decor.

about US

UVDECOR is the leading manufacturer of Interior & Exterior Products. We are one of the premium brands in South India and other parts of India since 2015.

UVDECOR is known for its wide range of products such as Paper Laminate, Decorative Laminate & Cladding. Inspired by the leading trends and eco-friendly products from across the world, **UVDECOR** succeeded in producing Made in India world-class products with distribution in PAN INDIA.

Note:
The size & design of Interior Panels can be customized on special request to meet customer's expectations.
